Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 27 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy with a chance of rain during the early hours.

This Evening and Tonight:
Largely dry through the evening with clear spells. Some areas will see spells of rain during the early hours and winds will strengthen across the region. Feeling milder than the previous night. Minimum temperature 8 deg C (46 deg F).

Sunday:
Early morning rain over some areas will soon clear, leaving conditions largely dry and cloudy. Cloud will slowly break apart in the afternoon, allowing for some bright spells. Feeling mild. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Spells of sunshine on Monday and breezy, with winds easing. More sunshine on Tuesday and Wednesday, and becoming very warm, especially inland.
